A CHRISTMAS LOVE SONG

All I want for Christmas is you
You're the gift that's made my dreams all come true

All I need for Christmas is here
Finding every sweet surprise wrapped up in your eyes
Waiting there for me underneath the tree

We'll the spend the day exchanging kisses
Smile and say "What a Christmas, this is"

Long before the snowflakes appear
Without bells or mistletoe
Or the tinsel silver glow
You just look at me and Oh!
Christmas is here!

Long before the snowflakes appear
Without bells or mistletoe
Or the tinsel silver glow
You just have to look at me and Oh!
Christmas is here...
