FUNKY CHRISTMAS

Well, I guess it's that time of the year
Presents being exchanged
Loved ones getting together
Oh, what a time

Ho, ho, ho

Merry Christmas
Merry Christmas to you

Merry Christmas
Merry Christmas to you

I want to wish you and yours
a Happy New Year

I want to say this
Merry Christmas
Merry Christmas to you

Merry Christmas
Merry Christmas to you

I want to wish you and yours
a Happy New Year

I want to say this
You cook the food
and I'll bring the wine
And if we hangup,
I'll be there by nine

Merry Christmas
Merry Christmas to you

Hmmm, I want to wish you a Merry Christmas
and a Happy New Year

If you bother with this song
Merry Christmas to you

Ahhhhh, Merry Christmas
Merry Christmas to you

I want to wish you a Merry Christmas
and a Happy New Year

Turkey's roasin'
Marshmallows on the fireplace
Mmmmm, I can smell that turkey

Turkey's roasin'
Marshmallows on the fireplace
(Someone hand me one please)

I want to wish you everybody
a Happy New Year

Baby, if I can't get you a present
please accept me instead
If I can't get you a present, baby
please accept me instead

I wanna wish you a Merry Christmas, honey
and a Happy New Year

Everybody play this song
Play it
It's Christmas time

Ohhh, play this song
It's goin' down
It's Christmas time

All the stuff that's being exchanged today
Ah, that's so nice

Everybody, Merry Christmas
Merry Christmas to you and you

Merry Christmas
Merry Christmas to you

Merry Christmas baby
and a Happy New Year

Everybody!
Merry Christmas
Merry Christmas to you

Ahhhh, Merry Christmas
Merry Christmas to you

I want to wish you a Merry Christmas
and a Happy New Year

And this part's for everybody

Merry Christmas,
no matter where you may be
Ohh, Merry Christmas,
no matter where you may be

I want to wish you and yours
a Happy New Year

I just wanna get loud

and say that again

Merry Christmas
Merry Christmas to you

Merry Christmas
Merry Christmas to you

Merry Christmas baby
and a Happy New Year

Honey, if I can't get you a present
please accept me instead
If I can't get you a present, baby
please accept me instead

I wanna wish you a Merry Christmas
and a Happy New Year

Ohhh, Merry Christmas
Merry Christmas to you

I got to say, Merry Christmas
Merry Christmas to you

I wanna wish you a Merry Christmas
and a Happy New Year

(Look at all those presents)
