## SNOOPY & THE RED BARON

The news had come out in the First World War  
The bloody Red Baron was flying once more  
The Allied command ignored all of its men  
And called on Snoopy to do it again.

'Twas the night before Christmas, 40 below  
When Snoopy went up in search of his foe  
He spied the Red Baron, fiercely they fought  
With ice on his wings Snoopy knew he was caught.

Christmas bells those Christmas bells  
Ring out from the land  
Asking peace of all the world  
And good will to man

The Baron had Snoopy dead in his sights  
He reached for the trigger to pull it up tight  
Why he didn't shoot, well, we'll never know  
Or was it the bells from the village below.

Christmas bells those Christmas bells  
Ringing through the land  
Bringing peace to all the world  
And good will to man

The Baron made Snoopy fly to the Rhine  
And forced him to land behind the enemy lines  
Snoopy was certain that this was the end  
When the Baron cried out, "Merry Christmas, my friend"

The Baron then offered a holiday toast  
And Snoopy, our hero, saluted his host  
And then with a roar they were both on their way  
Each knowing they'd meet on some other day.

Christmas bells those Christmas bells  
Ringing through the land  
Bringing peace to all the world  
And good will to man

Christmas bells those Christmas bells  
Ringing through the land  
Bringing peace to all the world  
And good will to man
